

About Juniper Finance:

Juniper Networks is leading the next wave of network innovation and transformation, and in Finance, we support the business every step of the way. Our mission is to drive total shareholder value by ensuring financial integrity and being a world-class, strategic business partner.

About the position:

Reporting to the Head of Capital Markets, this position will be an integral member of our team, supporting the management and day to day operations of the Corporate Finance, FX, Capital Markets, and Investments activities. The ideal candidate will possess excellent analytical and financial modeling skills, be able to collaborate closely with cross-functional and external stakeholders, and possess strong communication skills. In addition, the ability to think strategically, develop effective business partner relationships and seek opportunities for continuous improvement is highly preferred.

Responsibilities:

Critical job functions includes:

- Manage capital structure, including assisting with execution of debt capital market transactions.
- Drive strategy and implement capital return program, including share repurchase and dividend activities.
- Manage FX hedge programs (cash flow and balance sheet), including: forecasting and analyzing FX exposures; developing hedge strategies; execution of trades; and management reporting.
- Oversee operating and free cash flow forecasting and working capital management.
- Develop and execute investment strategy, including fixed income portfolio management and financial analysis of private equity investments.
- Develop ongoing and ad hoc reporting and analysis, including Board and executive management presentations.
- Ensure compliance with all relevant corporate policies, guidelines and Sarbanes-Oxley 404 requirements.

Minimum Qualifications:

- Bachelor's degree in Finance, Economics, or Accounting; MBA or CFA preferred.
 - 5+ years of experience in a Corporate Treasury setting, preferably with a Fortune 500 company or in the banking/financial services industry.
 - Deep understanding of foreign exchange, corporate finance, capital markets, and investments.
 - Strong quantitative and analytical skills; ability to provide sound financial and business judgment, and strategic thinking.
 - Strong communication skills, with ability to connect effectively across all levels of internal and external audiences (both verbally and in writing)
 - Team player with curiosity to learn and tackle new tasks, and possess strong drive and initiative.
 - Treasury systems experience desirable (e.g. Bloomberg, SAP, FXAll, Capella, treasury workstations, etc.)
- 
-

Juniper Networks is an Equal Opportunity/Affirmative Action Employer.

ABOUT JUNIPER NETWORKS

Juniper Networks is in the business of network innovation. From devices to data centers, from consumers to cloud providers, Juniper Networks delivers the software, silicon and systems that transform the experience and economics of networking. Our products and technology run the world's largest and most demanding networks today, enabling service providers, enterprises, and governments to create value and accelerate business success. Everyday our 9,000+ colleagues come together across 46 countries to realize our company vision – Connect Everything, Empower Everyone. We are innovating in ways that empower our customers, our partners and ultimately, everyone, in a connected world. These customers include the top 130 global service providers, 96 of the Fortune 100 and hundreds of public sector organizations.

WHERE WILL YOU DO YOUR BEST WORK?

Wherever you are in the world, whether it's downtown Sunnyvale or London, Westford or Bangalore, Juniper is a place that was founded on disruptive thinking – where colleague innovation is not only valued, but expected. We believe that the great task of delivering a new network for the next decade is delivered through the creativity and commitment of our people. The Juniper Way is the commitment to all our colleagues that the culture and company inspire their best work—their life's work. At Juniper we believe this is more than a job - it's an opportunity to help change the world...
